Lion Carl Chafe**

Hello Fellow Lions of District N4 :

HAPPY NEW YEAR to all !!!

Well we are into the 2nd half of our Lions Year . I hope that everyone had time to relax with Family & Friends during the Christmas period and are now rejuvenated & ready to get back to work Again .

I have read stories on Social media as well as online club reports of clubs within our District doing service projects within our communities throughout our District providing help and services to all those in need with clubs hosting Christmas parties for our Seniors that are shut in , to putting smiles on the faces of our Children & Grandchildren by providing a Christmas parade within our communities so that they can see Santa , To providing food hampers to those in need as well as having food drives to get the food bank shelves filled again so many can have food on their tables at this festive time of the year . These acts of good will go a long way within our communities.

We still have a busy year ahead of us with a lot of District projects that remain to be completed before year end in June . We ask all Lions in the district to get involved with many of these projects and support all our District Chairs who do a lot of planning to make these projects successful .

Our Membership is growing again which is a great sign , so keep asking anyone & everyone that you feel would make a great Lion , if we don't ask we will never know !!!

Looking Forward to seeing you all once again at our Lions Convention at the Capital Hotel coming up February 1-3 / 2019 . Plans are in motion by the host committee to make this one another successful one . Hopefully the weather will stay on our side so all can attend !!

Yours in Lionism

Lion Carl Chafe
