Hello Fellow Lions of District N4 :

We are now going into the last Quarter of our Lions Year for 2017/18. It has been a challenging year for some Clubs within our District which I am sure will work out before our Year ends . At this time of the Year all clubs should be in the process of Nominations & Elections for next years board of Directors for your respective Clubs, this all has to be done prior to our Convention in Gander & reported to LCI as to who will be your clubs Elected Officers.

The April Convention is fast approaching on the Weekend of April 13-15 / 2018 & Plans are well in motion by the convention committee. We are hoping to have another fantastic attendance of Lions as we did at our February Convention.

All clubs as well as all District Chairs have been very Busy this year planning & executing plans to have a successful year and to help give back to our Communities & Towns & Surrounding Areas. If there has been something that you have done within your communities please let the respective District chairs know what you have done ASAP to get recognized for your Great work.

Our District is starting to Grow in Membership once again which is great to see. We have lost some Great Lions through Death this year which was very Sad to hear. We must still focus on Retention of the Lions that we currently have , we have to Revitalize & Regenerate Lions that are in our District that feel that they have outlived their use as Lions , Give them a new job within your club to get them active again .

As our year gets closer to the end for 2017/18 Lions year we hope that you have remembered all our District Projects such as the LMSMC, Diabetes, Hunger, Pediatric Care, LCIF, Sight First, & LFC. All these projects need Funds to stay active within our District, so if you haven't Donated Yet Please look into your Budgets and try to make a Donation.

I am on the RIDE TO THE MAX Committee which is the largest Fundraising project that we currently have for the LION MAX SIMMS MEMORIAL CAMP, which will take place this Year on the weekend of August 18/19 / 2018 & we would like to have a full camp this year , this is our 9th Annual Ride this year and our Goal is to Raise over \$20,000.00 this year ,we can do it with your Help. Please Donate.

Fellow Lions I ask you to keep asking your Friends & family to consider Joining our Great Lions Family, Our Membership is slowly growing back but we need to get more New Members to carry on our Legacy as Lions . ASK ONE !!!!!

See you all at the April Convention in Gander !!!!!

Yours in Lionism

Lion Carl
