Hello Fellow Lions of District N4

We are now going into December which is the Halfway point of our Lions year for 2017/18. It has started off as a very busy year. I have had the honor of attending the Advanced Lions Leadership Institute Training (ALLI) in Denver Colorado November 10 - 13 where there were 125 Lions from around the Globe that gathered together to Advance their Leadership skills . It was totally amazing to interact with so many other Lions from all over to learn new ideas & share some of my own as to what way we do things within our Respective Districts. I would like to thank the District of N4 for this Opportunity, providing some funding for this training which i am sure will be used by me in years to come as I move ahead into the District Governors role. I will report more on the Training at the February DGO.

I know that all clubs are very Busy at this time of the year planning Christmas parades, Seniors Parties as well as Kids Christmas parties, doing food drives to help Fill food banks as well as a lot of other projects to help give back to our Communities & Towns & Surrounding Areas.

Our District is starting to Grow in Membership once again which is great to see, when you have a club grow membership by inducting 8 new members all on one night with another 3 perspective members to join by end of year such as what the Pouch Cove Lions Club has done gives us all hope that we can indeed grow our Membership. We have a membership Drive planned in January to help rebuild the St Johns Health Care Club, Our GMT & GLT Teams as well as Zone 8 Chairperson Lion Maureen Hynes have Plans in place th help in this effort.

Fellow Lions I ask you to keep asking your Friends & family to consider Joining our Great Lions Family, Our Membership is slowly growing back but we need to get more New Members to carry on our Legacy as Lions. ASK ONE !!!!!

On behalf of myself and Sharon, we would like to wish you all a very Merry Christmas & a Joyous & Happy New Year , take this time to spend with Family & Friends , Cherish every Moment !!

See you all at the February Convention in St. John's !!!!!

Yours in Lionism

Lion Carl
