The single largest fundraiser for the VOCM Cares Foundation is the Lions Club/VOCM Cares Super Radio Bingo; utilizing the 28 provincial transmitters of NewCap Inc. Bingo runs for an hour on Saturday evenings on all stations of the VOCM/CFCB Network and BIG Land Labrador's FM.

The hour consists of 4 different bingo games. The prizes for the games are as follows: 1st Game = \$500, 2nd Game = \$1,000, 3rd Game = \$1,500 and the 4th Game is an escalating Jackpot that grows until it is maxed.

Fourteen weeks of bingo are conducted Saturday evenings in the Fall (September to December) and 14 weeks in the Winter (January to April). Each evening begins at 6:00pm in Newfoundland and at 5:30 in Labrador.

Cards are distributed throughout the province by Lions Club members, as well as individual sellers where there are no active Lions Clubs. Cards are only \$3.00 each and can be purchased at most retail outlets where you see the colorful bingo posters.
