

District N4
February Convention

Capital Hotel

To the Lions of District N4:

Re: St. John's Convention
February 1 – 2, 2018

The second convention of the 2018 – 2019 Lions Year will be held at the Capitol Hotel in St. John's February 1 & 2, 2018. The cost of the rooms are \$105.00 plus tax per night, \$115.00 plus Tax per night for a King Sized Bed, and \$145.00 plus tax for suites.

The Room will be allocated as per district Policy. Any district officer or Lions Club requiring a room must book before January 20, 2018, Beginning January 21 all rooms will be released and booked on a First Come First Served basis.

Lions MUST book through the Capitol Hotel. No deposit will be required but a credit card number must be given to hold the room. Lions are asked to book by phone at 738-4480 or Toll Free at 1-800-503-1603.

Please do not start to call the hotel until December 26, 2018 to give everyone an opportunity to get prepared.

To ensure that a room is available to each Lions Club and district officer no club will be allowed to book more than one room initially. Lions Clubs may request additional rooms, but they will only become available after the January 20, 2018 deadline. Lions Clubs need to check with the Capitol Hotel after this deadline. The Capitol Hotel will be given a list of all Lions Clubs and District Officers.

In the past there has been Lions Clubs booking rooms in other Clubs names when they know a club is not attending. Please refrain from doing this. We will be checking names that the rooms are booked under to ensure that this does not happen.

District Officers needing rooms for meetings, tables for displays, etc. need to contact Lion Danny Campbell, District Convention Chair, in advance by email so that there is a copy of the request. His email is liondannycampbell@gmail.com

The C.B.S. lions club in conjunction with the Paradise Centennial Lions Club, and Waterford Hospital Lions Club are hoping for a great representation of Lions throughout the district. We will do our best to make sure it is a great weekend.
