

**DISTRICT N4
FIRST LIONS DAY OF SERVICE
May 6th 2017**

Hi Lions

Well May 6th 2017 is our first **Lions Day Of Service**, hopefully this will become an annual event. I would like to see all clubs in N4 get out on this day and let the people of your community see the Lions out out doing service projects in their **VESTS**.

Let's let everyone know we don't just sell tickets we do service work in our communities, this is a chance for us to get out , do a service project ,talk to members of the community and maybe cause interest in the greatest service organizations in the world. This could give you a chance to **ASK ONE** to become a member.

Let's just **DO IT** , I have included a list of service projects you can do that will make people aware of what you do.

Remember let your local media know what you will be doing, put it on your website, put on Twitter and Facebook get the information out there.

Thank you for your support I know you will make this a **GREAT LIONS DAY OF SERVICE**
