Gongs & Gavels – add Article

Add new Article: Policy Manual Volume I. Section V.E.5. Club Visitation.

Clubs are encouraged to engage in visitations to other clubs and Zones within, and outside, District N-4. The purpose may include educational, social, support or other Lions or community-related activities.

a) Visitation records

Visiting Lions shall, upon request, receive verification of attendance at the host Club's meeting or event. Such verification shall be used to record the Lion's participation in the District's Visitation program.

b) Gong & Gavel

- i. When five (5) or more Lions visit a Club, the visiting Club may claim a piece of property, usually a gong or gavel, from the host Club. Visitors shall not claim any property which belongs to a Club other than the host. Minutes of the host club, shall record the property transaction.
- ii. The host Club may re-claim its property by having 5 members visit the Club holding its property. When ten (10) Lions visit, the visitors may re-claim their own property and claim a piece of property from the new host.
- iii. Prior to the end of each Lions year, Club property, including Gongs and Gavels, shall be returned to the Club from which it was taken. The Club holding the property shall contact the owner and arrange for its safe return. If such property is not returned, the visiting Club shall assume responsibility for its replacement.

PDG Vote – Refer to PDG Association:

PDG's are permitted one vote, in addition to Club allocation in any District election; request PDG Association to make a comment on whether that should remain for all District voting situations or just for District N-4 Officer elections
