

Mount Pearl Lions enjoy their Seasonal Service ! !

Pre-Christmas planning and activities fill the days and nights for MP Lions! Getting into the spirit of Christmas comes naturally for Lions whose true hearts follow the LCI motto "We Serve"

Rogers Hometown Hockey ...

Lions assisted the City in their hosting of this BIG event with about 1000 minor hockey players. Lions helped in organizing the parade of players in Mount Pearl, to the Summit, where Rogers televised part of the event to coincide with "Hockey Night in Canada". Lions also served as security for the players as they moved through the streets ... in the dark!

Mount Pearl Lions Club Minor Hockey Tournament ...

MP Lions sponsored a minor hockey team since the early days of the Club. In recent years, the MP Lions became the sponsors of this tournament for the MP Minor Hockey Teams. Mount Pearl Lions banners decorated the arena and President dropped the puck for the Championship game!

Mount Pearl Community-wide Food Drive ...

like hundreds of other community volunteers, MP Lions took a section of Mount Pearl and went door-to-door collecting food items. Lions consolidated about 80 very full bags of groceries. They delivered them to the MP St Vincent De Paul Society, where they witnessed the community's generosity through the 33,000 food items brought in that morning and the afternoon as the assistance continued with the food drive at 5 local grocery stores. The food and monetary donations continued throughout the evening with thousands more items gathered!
