

Mount Pearl Lions continue their Christmas Celebrations ! !

The spirit of Christmas giving is abundant in the hearts and actions of Mount Pearl Lions!
MP Lions actively seek opportunities to share their blessings with those in need of a boost!

Ticket Sales and \$5000.00 winner ... Ticket # 2001 George Coward

Lion John's favourite hangout, for ticket sales was Coleman's Grocery Store. Sometimes he convinced someone to drop by for a break!

The Avalon Mall was a lonelier place but Lion Florence successfully served her time!

Choices For Youth – CFY - Lions 're-directed' clothing

and household items to young adults to help meet daily needs. As a seasonal bonus, MP Lions assisted the Waterford Hospital Lions Club with a pre-Christmas dinner for one CFY program. The annual commitment came with funds, personalized gifts, music, and of course – Santa!

CFY Christmas Stockings ...

The annual donation of Christmas Stockings for some of the 200+ clients served by CFY, is a highlight for MP Lions and family members. It is a privilege to be able to help the youth!

Cradea Manor – a valued tradition for MP Lions

The MP Lions held a social visit for residents of Cradea manor. Staff were delighted with the attention for their residents and it was a pleasant occasion to see the familiar faces and take the time to interact with such a wonderful group of ladies.

Armour Transport donated to the MPLC Santa Claus Parade

President Roxanne received \$250 from Pam Steele, to assist with parade expenses. The presentation was featured in their company newsletter!

Armour also transports used eyeglasses for processing!

MP Lions Christmas Social ...

MP Lions work hard to meet their service goals ... but they also enjoy time spent together with no agenda except to relax and appreciate each other's company! A great meal, plenty of stories and jokes; and, in true Tail Twisting fashion – lots of prizes!

Of course, any Christmas party isn't complete without a visit from Santa. Given the audience, a consensus was reached that Santa's didn't have to wear his dress clothes – the only requirement was that he bring gifts! That seemed to be a reasonable trade-off.

Lions are looking forward to their next social gathering!

MP Lions enjoyed a fun evening celebrating fellowship and good cheer.

Youth Opportunities Fund Foundation

(YOFF) The Mount Pearl Lions Club was one of the founding members of the MP YOFF.

The Board presented a cheque to O'Donel High school to assist with the building of a school-based, solar powered, green house!

It will be used by students in the high school as well as students in lower grades. Students will grow produce to be used in the nutrition classes, school cafeteria and for their own use.

May you fill your life with peace and joy this Christmas season and in the New Year!

Claudette Coombs – Mount Pearl Lions Club
