

## Mount Pearl Lions have jumped in for a busy year !!

### Awareness of our local Community is always important.

MP Lions learned of a community fundraiser for resident requiring a stem cell transplant. The Club made a donation, Lions attended the event, gave personal donations, participated in spins, prize draws and an auction. They even availed of the opportunity to write personal notes to the recipient!

MP Lions have joined with the Waterford Hospital Lions and

continue with a **BIG cash ticket draw!** Every day, their tickets are being sold somewhere! The \$10,000 raised for each Club will go a long way to support youth and community programs.

### MP Lions Club Craft Fair & Bake Sale

MP Lions want the Community to know they are busy and they have a lot to offer – for everyone! That means, even those NOT in need of physical support! Lions give individuals the opportunity to make some extra money while giving others the opportunity to buy locally produced goods! From Seal Skin and knit products to delicious baked cakes, cookies and breads! The annual Mount Pearl Lions Club Craft Fair & Bake Sale will be held 3 November at Park Place, Mount Pearl. MP Lions benefit in many way ... they received increased public exposure, they create networks, and they raise funds for community projects! The \$1 admission and \$15 per table rental fee can add up to allowing MP Lions to be present where there is a need!

### Used Eyeglasses ...

Last year MPLC contributed 4110 pairs of used eyeglasses to the District N-4 eyeglass recycling initiative. From July 1<sup>st</sup> to October 1<sup>st</sup>, MPLC collected 1213 pairs of eyeglasses with a goal of 4000 for 2018-19.

### MP Lions take Hunger and food security very

seriously. They are working with community leaders and organizations to hold the City's second multi-partner, city-wide food drive. On the 19<sup>th</sup> of November, volunteers, including the Mount Pearl Lions and the Mount Pearl Lions Club Scouting Group, will reach every area of Mount Pearl!

**MP Lions continue to pursue their mandate of humanitarian service ... at high speed!**
