

## Mount Pearl Lions continue their Community Service !!

### O'Donel High School Scholarships

Annually, MPLC provides two \$150 Scholarships to each High School in Mount Pearl. Students are selected based on their contributions to school life, volunteer efforts, and other criteria. Lion Gerald presented ODHS Level III students with \$150 cheques and congratulatory letters.

### St Peter's Junior High Peace Poster

Artist Drew Howlett presents an image of overcoming the hold of the world's darkness, to bring hope.

### William S Kennedy Law Office supports the MPLC Santa Claus Parade

President Roxanne & Parade Chair Gerald receive \$600 from William S Kennedy to purchase candy canes for the 3500 candy bags, to be distributed at their Parade.

### MP Lions support "Kids Eat Smart annual Radiothon" at the Avalon Mall – 6 Nov 2018.

MP contributed to the event which raised \$ 164,639.00

## Craft Fair – a great success!

The MPLC November fundraiser served many purposes: providing an opportunity for local entrepreneurs to gain access to a public market; maintaining connection with residents and city officials; increasing exposure of the MPLC; and of course – it was an opportunity to raise funds! Besides small business vendors, there were other private vendors

... a mother & daughter sold their artistic wares ...  
 ... Joanne Duke had an extensive inventory of her knit and crochet items – including laptop / shopping bags; toques & clothing ...

... NL culture was seen in the seal skin and rock art products of Barbara Morgan ...

... sculptor Michele Stamp displayed and sold Christmas ornament replicas of her original Mermaid sculpture, found throughout downtown St John's ...

... customers came because of the Lion mascot on the street ...

... former Lioness President Florence Anderson & daughter & grand-daughter and two great-granddaughters have supported Lions activities for over FOUR generations!

... the Mayor, City Councillors, an MHA and their families promoted and attended the event and bought plenty of goods!

---

## World Diabetes Day – 14 November 2018

Lions promote healthy eating and encourage physical activity as lifestyle initiatives to minimize the complications of diabetes and support healthy personal lifestyles. In November, Lions will participate in a workshop offered by the Wellness Coalition-Avalon East “Promoting Healthy Eating for Everyone!”

---

## MPLC is joining the drive!

MP Lions are participating in this second, gigantic, community-wide food drive! Along with the MPLC Scouting Group and the MPLC sponsored Hockey team and other sports and community groups, MP Lions are taking to the streets, visiting neighbourhoods and collecting truck loads of food for the local food banks! The first Community-wide event, organized by MHA Paul Lane, was such a success that now the sports community is organizing the second drive!

## Commemorating the 100<sup>th</sup> anniversary of the end of World War I

MP Lions participate in the Remembrance Day parade, alongside hundreds of military and community residents. This includes the 1<sup>st</sup> Mount Pearl Lions Scouting Group. Lions lay a wreath at the memorial monument, to remember those who lost their lives defending our freedom.

## Youth Opportunities Fund Foundation (YOFF)

In 2001, with an initial \$20,000 donation, the Mount Pearl Lions Club became one of the founding members of the YOFF. The foundation receives applications for grants from youth groups within Mount Pearl. Among others, Grants have been given for mentoring, educational, musical, environmental and recreational projects.

The Board presented a cheque to the Arts Association of Mount Pearl and just reviewed its latest application, for a school-based, solar powered, green house!

---

**MP Lions enthusiastically pursue their mandate of humanitarian service ... through all available avenues!**  
**Knowing that others benefit from their service, brings a sense of good will to all!**
