

PEDIATRIC CANCER REQUEST
October 4th 2018

Fellow Lions

Your Pediatric Cancer Committee have been devising a 3 year plan for our district and here is what we feel best suits our district.

Year One is complete we contributed \$1000 to the Janeway for their Activity Room

Year Two we have planned a Retreat Camp for Children with Cancer and their families (more on that shortly)

Year Three apply for an LCIF Grant to purchase a piece of equipment for the Janeway that would be beneficial for the children with Pediatric Cancer

YEAR TWO our plan is to start a Retreat for children with Pediatric Cancer and their families to be held at the Lion Max Simms Memorial Camp. Since last year many clubs have contributed to this cause and we have in the district account \$3411.80. Our committee met with them and although they do have a camp we felt that there would room for another, but one that would not interfere with theirs. So here is what we would like to put to you as our plan for year 2.

Our goal would be to accommodate on a first come first served basis 40 people parents and children at a cost of approximately \$160.00 per person which is \$6400.00, which means if we fill the number we will require approximately another \$3400.00. The Retreat would be held on the weekend of June 21st to 23rd 2019.

We have not formally asked for clubs to donate because we were unsure what we were going to do, well we now know what we are proposing and the cost , we realize that clubs are finding it it harder to find money to donate for all the causes we have , we ask that if your club can see a way to contribute \$90.00, this ensure that the Retreat will become a reality.

We have until June 2018 this will give you a chance to plan a project to support this district project.

Thank for the support you have already given us and lets put our year 2 plan over the top, bring your cheque for \$90.00 to the Marystown Convention October 19th and 20th made out District N4, in the notation area put Pediatric Family Retreat or mail to CST Nancy. We look forward to your usual support
