

The Faces Of Hunger

RELIEVING THE HUNGER GLOBAL SERVICE ACTION CAMPAIGN

*Today, there are more than one billion people who do not have enough to eat. One person out of six lives in a state of chronic hunger. Lions have an opportunity to show the strength of our worldwide network during a special service action campaign, **Relieving the Hunger.***

Take Action during December and January, we invite you and your club to join Lions around the world to help relieve hunger. Organize projects that mobilize your club members to make a difference in your community – by helping those who don't have enough to eat.

If your local food bank does not have volunteer opportunities available, you may wish to consider other service projects such as preparing and delivering food baskets to families in need or planting a community vegetable garden.

*For more information and Campaign resources, visit www.lionsclub.org and search on **'Relieving the Hunger'**.*

All hunger relief efforts that are reported on your club's Monthly Activity Report qualify for the Centennial Service Challenge.
