Mr. Mark Parsons of Carmanville, NL is a 34-year-old quadriplegic who is seeking funding for a lift for his wheelchair van. Mark suffered a tremendous injury 14 years ago in a swimming accident that left him incapacitated and wheelchair-bound. Mark has a new van that his parents provided for him. He has an application in with government for Accessible Vehicle Funding for a lift for this van but was told recently that he is #28 on the wait list. His mother indicated that the lift is about \$5000.00 to purchase.

The family reached out to our club for assistance and DG Governor Jennifer Hutchings gave permission to our club to solicit other clubs in District N4 with the stipulation that this would be a **request only** and **not a District project.**

At a Joint Zone Meeting of Zones 1 & 2 held on Sunday, November 04, 2018 at the Alexander Bay Lions Club, a motion to endorse the project was approved.

We are pleased with the response. Thank you for your generosity, assistance and service to this cause.

Have a great Holiday Season, Merry Christmas and a Happy New Year.

Yours in Lionism and Service,

Lion Herb
